

PROTEST THE SENTENCING OF RICARDO PALMERA!

Join the National Committee to Free Ricardo Palmera to show our support for Colombian freedom fighter Ricardo Palmera and to oppose the overreaching arrogance of the U.S. Empire and President Bush. We need you to give him strength and to show the people what is right and how to FIGHT!

The U.S. kidnapped and extradited Palmera to a prison outside Washington D.C. where he is held in solitary confinement—NO family, NO friends, NO reporters, not even his own Colombian lawyer. Ricardo Palmera is a political prisoner. HE HAS COMMITTED NO CRIME!.

Professor Palmera's trial is bizarre. The first trial ended in a hung jury, so Palmera was re-tried on the same charges. At the start of the second trial, Judge Hogan had to step down because he was caught cheating with U.S. prosecutor Ken Kohl. Hogan's replacement Judge Lamberth refused to allow Palmera any witnesses. At the same time, Judge Lamberth allowed the U.S. prosecutor dozens of witnesses--paid informants, lying convicted drug runners, and corrupt Colombian government officials. THE ONLY FAIR TRIAL IS NO TRIAL!
